

Cromhall Parish Council – Action Plan 2026

Adopted 25th November 2025, minute reference: 2025/11/12

This document sets out Cromhall Parish Council's key objectives for the year commencing April 2026. Longer term aspirations are also included, though these cannot be considered firm objectives at this stage. The action plan describes new or specific activities or plans but does not include the regular operational activities of the council, for example management of council-owned open spaces.

AIM

To make Cromhall a safe and fulfilling place to live for all members of our community.

OBJECTIVES

- 1 To ensure council assets and services are safe, secure and open to all residents
- 2 To represent the interests of Cromhall residents to external organisations including South Glos. Council
- 3 To promote community cohesion and social opportunities
- 4 To promote the welfare of current and future residents of Cromhall
